If you like plants, gardening, and aesthetics, you're in luck because MV Sprouts is here! Come check out Monta Vista's very own gardening and environmental club info meeting on tomorrow, September 25th in B111 to learn about and care for our garden in a hands-on way.

Did you know that for every 300 million tons of plastic that are produced, only 10 percent is recycled? A new chemical process can turn film plastics into usable chemicals, and you can help. Bring acceptable film plastics like

saran-wrap, Ziploc bags, and consumer goods packaging to the rally court stairs (today) at lunch. Bring your plastics each Wednesday and Friday during lunch in September.
